

Northland Family Care is pleased to announce that we are offering Group Diabetic Education classes for our diabetic patients. Dr. Susan Kimble, DNP will be hosting these sessions providing vital information on the prevention, treatment, and effect of diabetes. Participants will have necessary lab work, a foot exam, questions answered, and other items as deemed necessary during these group visits. If you are interested, please advise the staff during check out to schedule, or call the office at 816-781-4740.

WHEN:

Wednesday, June 17TH at 9a.m.

Where:

Northland Family Care | 9151 NE 81st Terr. Suite 100
